

Welcome back Families!
My name is Nicole Russo and I am excited to be returning for my second term as PTO President. The GAMS PTO has many events planned throughout the year. Every penny raised through your membership, fundraisers and events goes right back into our school for the students and staff. Please consider purchasing a PTO membership for event discounts and other privileges. PTO membership is a great way to show your support without a time commitment! The PTO provides money towards field trips, assemblies and author visits -among other things. Thank you to all of the parents and staff who have been of great service in the past and future! The PTO would not exist without the support, time and dedication that numerous individuals have put in. We love having parents help and always welcome new ideas to make our school better. I am looking forward to an amazing year. See you at Open House.

Open House

Our Annual Open House will take place on September 26th from 6-7:30pm. While you are there, be sure to stop by our PTO table to meet your board members, get info on membership and volunteering opportunities. We will also have T-shirts available. See you there.
